Recommendation Letter

To Whom It May Concern:

We had an opportunity to work with DJ Zloty Srodek and selective.pl during a cocktail reception in Warsaw in April 2017. They turned out to be the perfect choice for this type of event.

DJ Zloty Srodek was very involved from the very beginning of our cooperation. We always felt that he was putting a lot of effort and time into the preparations to make sure that he understands our needs and expectations.

The music was exactly what was needed- perfect conversation background for the first two hours and then fantastic dance floor set for the last hour of fun. In the end, there was hardly a person left who did not join the dance floor.

Thanks to their equipment they also transformed a large and raw space into a warm and friendly cocktail reception hall.

Moreover, I can honestly say that you will struggle to find such a reasonably priced DJ and lights service in Warsaw.

We look forward to an opportunity to work together again with such a talented team.
